

Laguna Beach: Weddings in Laguna (Kindle Worlds Novella)

When deja vu and I do collide, hearts are destined to break. Zach Dorn may be related to reality star royalty, but his life has never been an open book. Seeking security after a tour in Iraq, he follows his brother to Laguna Beach where he opens a wedding cruise business. When Blaine Carter, the curvaceous wedding planner, enters his life, Zach soon realizes his feelings for her are challenging his decision to stay unattached, and the heart he'd believed frozen is fast thawing out. Blaine's been burnt by love. Badly. Losing her business, her pride and joy has scarred her. Now sexy Captain Dorn, is asking her to take a chance, on business and pleasure, and she's running scared. How can she forget the past when it resembles the future in almost every way?
