

## The Uncharted Series Box Set: Books 1-3

After 160 years of isolation on an uncharted land in the South Atlantic Ocean, the descendants of American pioneer families receive their first visit from the modern world. Join Lydia, Levi, and Bethany as they discover their purpose, find love, and try to keep the Land hidden.

**The Land Uncharted (Uncharted, #1)** Lydia Colburn is a young physician dedicated to serving her village in the Land, an undetectable island in the South Atlantic Ocean. When Lt. Connor Bradshaws parachute carries him from the world war to Lydias hidden land, his mission could expose her simple society. As Connor searches for a way to return to his squadron, his fascination with life in the Land makes him protective of Lydia and her peaceful homeland, and Lydias attraction to Connor stirs desires she never anticipated. But will they be able to keep the Land hidden?

**Uncharted Redemption (Uncharted, #2)** Mandy Foster regrets her past. If anyone discovers her secret, tradition dictates she will be shunned. Shes determined to guard her heart, even if it means a lifetime alone. Breaking from the Lands tradition, carpenter Levi Colburn is building his house outside the village across the road from Mandy Foster to be exact. Though he hopes to marry Mandy someday, she rejected him once and has been unattainable to every man in the village ever since. When rebels tear through Good Springs and abduct Mandy, its up to Levi to find her. But will she accept the tender care of the one man who truly loves her?

**Uncharted Inheritance (Uncharted, #3)** Bethany Colburn is finally allowed to court, and Everett Foster is ready to confess his love for her. As the outside world closes in on the Land, a new man arrives in the village of Good Springs. He brings charm Bethany has never encountered and illness the Land has never known. While the medicinal power of the gray leaf tree is put to the test and the

Colburn familys strength is stretched thin,  
Bethany must choose between the love of  
her life and the intriguing new man.
