

Secret Thoughts: a medical thriller (A Dr. Powers Mystery)

Something is rotten in Seattle, where seven innocent people are dead from tainted cold medicine and some of the countrys wealthiest CEOs are suffering from corporate espionage on an unprecedented scale. Dr. Paul Powers search for the truth turns him into the prime suspect and an international fugitive desperate to clear his name. But how do you catch a killer who knows exactly what youre thinking? H.S. Clark takes the reader on a wild ride along the cutting edge of medical technology and into the dark side of digital medicine.
