

## Hotel & Resort Interiors (Interior Design Library)

The Interior Design Library series is a compilation of the finest work by professional interior designers. This volume, Hotel & Resort Interiors, focuses on hospitality design in its many styles and faces. From lobbies to guest-rooms, lighting schemes to color schemes, see how designers have created some of the most beautiful and picturesque resorts in the world. The hotels and resorts featured here have been hand-picked from Rockports interior design archives to represent a variety of regional styles and creative decorating ideas. Each book in the Interior Design Library series is dedicated to a specific area of interior design, and together they make up a complete reference series for professional designers. Other titles in the Interior Design Library series: Bedrooms, Commercial, Restaurant Interiors, Living Rooms, Retail Interiors
