

The Howling Throne

Sparkling like an aged emerald, the wolf's eyes glistened under the moonlight. He stared down the mountain into the snowy depths of the valley before him. What does it mean? His snout raised to the broken clouds, What does it mean? Hidden from man. Ruled by wolves. Watched by gods. This is the Kingdom of Vaal. Short of food and with the weather closing in, the Silver Manes must decide whether or not to leave their home and hunt farther afield - But, starvation is not the only thing that threatens them... Discover the truth, the treachery and the dark secrets behind the legend of The Howling Throne. The journey begins...
