

Egg Drop

Now for something completely different from Mini Grey! A mother hen tells her chicks about the egg that wanted to fly. The egg was young. It didn't know much. We tried to tell it, but of course it didn't listen. The egg loves looking up at the birds (yes, it has eyes). It climbs 303 steps (yes, it has legs) to the top of a very tall tower and jumps. It feels an enormous egg rush. Whee! it cries. I am flying! But it is not flying, it is falling. Hold your tears, dear reader there is a sunny ending for this modern-day Humpty Dumpty. Impossible to categorize, Egg Drop is Mini Grey at her zaniest.

ZOOM . activities . sci . Egg Drop PBS Kids Have you tried the egg drop project yet? This was our 4th year in a row taking part this super fun STEM activity for kids!
