

The Last Boy: Mickey Mantle and the End of Americas Childhood

Award-winning sports writer Jane Leavy follows her New York Times runaway bestseller Sandy Koufax with the definitive biography of baseball icon Mickey Mantle. The legendary Hall-of-Fame outfielder was a national hero during his record-setting career with the New York Yankees, but public revelations of alcoholism, infidelity, and family strife badly tarnished the ballplayers reputation in his latter years. In *The Last Boy*, Leavy plumbs the depths of the complex athlete, using copious first-hand research as well as her own memories, to show why The Mick remains the most beloved and misunderstood Yankee slugger of all time.
