

Jockblocked: Gridiron, Book 2

College junior Lucy Washington abides by one rule: avoid risk at all costs. She's cautious in every aspect of her life, from her health to her mock trial team to the boring guys she dates. When a brash, gorgeous jock walks into the campus coffeeshop and turns his flirt on, Lucy is stunned by the force of attraction. For the first time ever, she's willing to step out of her comfort zone, but can she really trust the guy who's determined to sweep her off her feet? Entering his last year of college eligibility, linebacker Matthew Matty Iverson has the team captaincy in his sights. And it's his for the taking, if he can convince his quarterback, Ace Anderson, to give up the starting position. Luckily Matty already has an edge - the hottie he's lusting over just happens to be Ace's childhood best friend. Getting Lucy on his side and in his bed? Hell yeah. Matty is more than confident that he can have both, but when he falls hard for Lucy, it's time for a new game plan: convince the woman of his dreams that she's not sleeping with the enemy. Contains mature themes.
