

Nursing History Review, Volume 14, 2006: Official Journal of the American Association for the History of Nursing

Nursing History Review, an annual peer-reviewed publication of the American Association for the History of Nursing, is a showcase for the most significant current research on nursing history. Regular sections include scholarly articles, over a dozen book reviews of the best publications on nursing and health care history that have appeared in the past year, and a section abstracting new doctoral dissertations on nursing history. Historians, researchers, and individuals fascinated with the rich field of nursing will find this an important resource.
