

The Turn of the Screw: Complete Text with Integrated Study Guide from Shmoop

You get the full original text of this story interwoven with a smart, plain-spoken guide to the characters, quotes, themes, symbols, and more from Shmoop. Considered to be one of the greatest ghost stories of all time, Henry James's novella, *The Turn of the Screw*, was published in 1898 and has since influenced countless writers seeking to craft the perfect suspense story. Lots of ambiguity and confusion surrounds the plot that twists and turns in many directions as it follows a young governess as she single-handedly cares for two troubled children named Miles and Flora at their country house. Designed exclusively for Kindle readers, Shmoop Classics for Kindle offer the original text of some of the greatest works of literature with a built-in interactive guide to help you dig deep into the characters, symbols, themes, and big questions of the book. For the student and the life-long learner alike, take your classroom on the road and build your brain muscles daily. No need to weigh your backpack down, no need to waste paper, no need to get sleepy in class. Shmoop is here to make you a better lover of literature and to help you discover connections to other works of literature, history, current events, and pop culture. You'll find thought-provoking character analyses, quotes, summaries, themes, symbols, trivia, and lots of insightful commentary. Key quotes from the original text are linked to deep analysis from Shmoop. Academics from top universities, including Stanford, Berkeley, Harvard, and Columbia, have written content designed to engage you and to get your brain bubbling. With Shmoop's fun, conversational, and accessible tone, you'll feel as though you are chatting with friends over coffee. These interactive study guides will help you discover and rediscover some of the greatest works of all time. For more information, check out <http://www.shmoop.com/ballyhoo/kindle-e>

books.html Best of the Internet - PC Magazine Shmoop impresses me because it is intentionally about learning, and the joy of learning, not just about passing courses and jumping through educational hoops. - Paul Hamilton, teacher and education blogger Shmoop features deep analysis of topics in history and literature, sprinkled with a heavy dose of wry humor. eSchoolNews
