

Finding Big Mo: A Golf Story About How Momentum Wins the Day While Keeping the Beasts at Bay

Have you ever had that feeling, the tingle in your body and mind when everything is going your way? Is it the zone? Is it flow? Maybe, but whenever you watch a sporting event, listen to an actor talk about their performance or read comments from an executive on a roll, they always seem to bring up Big Mo. Momentum is often talked about, coveted and courted, but appears difficult to retain. In Finding Big Mo we invite you to jump into the character of Thomas Barr as he tees off at Pebble Beach in the round of his life. Set in Pebble Beach and in the last round of the National Open, Tom has the misfortune of losing his regular caddy. Forced to find a replacement in the local caddy yard when all loops have been long established, he meets an aging legend nicknamed Foot. The two pair up to face multi-time champion, Cyrus Steele in the final group and Foot leads Tom on a journey of self-discovery and creating a personal recipe for courting Momentum. Lovers of golf, Pebble Beach, and underdog stories will enjoy this fictional walk through the twists and turns of tournament golf. So join Tom and Foot as they do their best to Find Big Mo.
