

Collecting Evidence (Kenner County Crime Unit)

The first thing FBI Agent Dylan Acevedo remembered when he saw Aspen Meadows again was their steamy week in a hotel room. Unfortunately, Aspen had no memory of him, the murder shed witnessed, or that he could be the father of her infant son. So, as much as he wanted to hold her and demand answers, her safety came first. Collecting evidence and hunting down clues always kept him working long into the night. But now, reunited with one unforgettable woman and excited by the prospect of fatherhood, Dylan found he had a lot more reasons to come home. And a lot more to lose.
