

Laguna Beach: A Treasure in Laguna (Kindle Worlds Novella)

Add a dose of treasure hunting danger, mix in the excitement of finding true love when you least expect it, and you have A Treasure in Laguna... Former reality TV star Crowe Erickson comes to Laguna Beach looking for gold, redemption, and a new treasure hunting reality TV show. What he finds is another kind of treasure: Jenny Craft, the sexy television star who was his first crush. While intrigued by his hunt for gold, Jenny left Hollywood and its shallow people far behind and is now running a successful restaurant of her own. She wants nothing to do with a younger, fame-seeking man. One bad day in front of the cameras cost Crowe his first career. But he's determined that this time it isn't going to cost him the girl.
