

Leaving Home: Short Pieces

Leaving Home brings together three previously published short pieces, each dealing with a variation on the theme of leaving home. The first, *Weights and Measures*, deals with the tragic loss of a child; the second is a nonfiction letter Picoult wrote to her eldest son as he left for college; and *Ritz* tells the story of a mother who takes the vacation all mothers need sometime. It is impossible not to be held spellbound by the way she forces us to think, hard, about right and wrong. *The Washington Post*
