

LeMone and Burkes Adult Nursing: Acute and Ongoing Care

LeMone & Burkes Adult Nursing: Acute and Ongoing Care is the ideal companion for nurses caring for adults in today's changing healthcare system. With comprehensive coverage of contemporary nursing practice as well as a strong, evidence-based, theoretical underpinning tailored towards the new NMC competencies, this book provides a detailed and thorough resource for both the student nurse and nursing professional. The book includes coverage of care in both hospital and community-based settings, with an emphasis on education of the patient and prevention of illness and disease.
