

Classic of History (Part 1 & 2: The Book of Thang & The Books of Yu)

This carefully crafted ebook: Classic of History (Part 1 & 2: The Book of Thang & The Books of Yu) is formatted for your eReader with a functional and detailed table of contents. Originally called Shu (Book), The Classic of History got the name in the Han Dynasty, meaning a book of previous generations. It is China's earliest compilation of documentary records related to events in ancient history of China. Since the Han Dynasty, The Classic of History has been regarded as a classic on feudal Chinese politics and philosophy. It served as both a textbook for the emperors and an authoritative and classic code that children from noble families and scholar-bureaucrats must follow. The Classic of History had a great impact in Chinese history. Confucius (551-479 BC) was a Chinese teacher, editor, politician, and philosopher of the Spring and Autumn period of Chinese history.
