

Lil Harlan and his sidekick Carl the Comet in Danger Land

In the words of the great one: I have just received my first two (only 2, so dont ask me for one) copies of LIL HARLAN AND HIS SIDEKICK CARL THE COMET IN DANGER LAND, a swell 20-something page chapbook from Edgeworks Abbey in association with the magnificent SUBTERRANEAN PRESS, illustrated extra-swell by the magnificent GAHAN WILSON. It is one of my very best almost-unbelievable anecdotes of me, Lil Harlan, with the iconic, famous, magnificent Carl Sagan of COSMOS, in the early 80s.
