

Palm Springs Paradise

This book collects more than two hundred fascinating and rarely seen historical photographs of Palm Springs, newly digitized from the Palm Springs Historical Society's expansive archive. Featured are many Hollywood celebrities, including Sinatra and the Rat Pack, who vacationed there, the early days of the desert paradise, various architectural masterworks, such as the fabulous El Mirador Hotel and the extraordinary, outrageous, and irreverent people of Palm Springs. Historian PETER MORUZZI is the founder of the Palm Springs Modern Committee, an architectural preservation group, and the author of *Havana Before Castro*; *When Cuba Was a Tropical Playground*, *Palm Springs Holiday: A Vintage Tour from Palm Springs to the Salton Sea*, and *Classic Dining: Discovering America's Finest Mid-Century Restaurants*. He has been infatuated with Palm Springs since his first visit in 1990. He now splits his time between his homes in Los Angeles and Palm Springs.
