

Louis the Well Beloved (French Revolution)

France eagerly awaits the day the young King, Louis XV, comes of age and breaks free from the rule of his ministers. The country hopes Louis will bring back glory and prosperity to France. However, he is too preoccupied with the thrills of hunting and gambling to notice the power struggle going on in his own court. Soon, the King is introduced to the pleasures of mistresses and a succession of lovers follow. From the gentle persuasions of Madame de Mailley to her overtly ambitious sister, Madame Vintimille, France stands by and watches a King ruled by his women

Reviews Louis the Well Beloved (French Revolution, #1) [detectives Louis XV (15 February 1710), known as Louis the Beloved (Louis le bien aime), Evidence for this view is provided by the French Revolution, which broke out 15 years after his death. ..
