

## Love Me Like No Other (The Donovans Book 1)

That day had started out like any other, until a brown-skinned beauty in a flimsy nightgown jumped into his car and demanded he drive her to the airport. That's how investigative reporter Adriano Norwood met Payton Vaughn, the star witness in the trial of the decade. She was on the run, and judging by the trail of bodies in her wake, just driving the lady put his life in danger, too. But there was something honest, true and hot about Payton that made it impossible for him to walk away from her. He would protect her with his life, but would she stand by him if she knew the secrets he hid inside.
