

What I Was: A Novel

From the 2016 recipient of the Astrid Lindgren award and author of international bestseller *How I Live Now*, National Book Award finalist *Picture Me Gone*, and most recently *Jonathan Unleashed*, Finn was a beautiful orphan. H was a prep school misfit. On a September afternoon many years ago they met on a beach on the coast of England, near the ancient fisherman's hut. Finn was squatting in with his woodstove, a case of books, a striped blanket and a cat. H insinuates his way into Finn's life, his blazing wood fires and fishing expeditions. Their friendship deepens, offering H the freedom and human connection that has always eluded him. But all too soon the idyll of their relationship is shaken by a heart-wrenching scandal. *What I Was* is the unforgettable story of H at the end of his life looking back on this friendship, which has shaped and obsessed him for nearly a century. From the Trade Paperback edition.
