

## Malice Hates Fairy Tales #1 (Malice in Wonderland Book 4)

The Brothers Grimm are trying to unleash twisted fairy tale beings into Wonderland.

15-year-old Queen Malice doesn't want to deal with them. But then Malice's dear friend, the Mad Hatter, is kidnapped. So to save him, she's forced to work with Cinderella, and ends up getting sucked into Fairy Tale Land. If things keep going this way, the fairy tales might eventually cross over into the outside world, where her twin, Alice, lives. Malice struggles to do the right thing, but her heart keeps malfunctioning, sending her into fits of maliciousness. Killing Cinderella would be bad, right? By the author of Malice in Wonderland. The events of this book follow Malice in Wonderland #3.
