

Foxley (Dutch Edition)

Foxley is afkomstig uit de bundel *M n liefje*, *m n duifje*, die nog zeventien andere spannende korte verhalen over de duistere kant van het menselijke karakter bevat. De dagelijkse routine van een forens wordt danig verstoord als hij wordt geconfronteerd met een kwelgeest uit zijn verleden. Roald Dahl, de alom geprezen schrijver van *Sjatie* en de chocoladefabriek, *De GVR*, *Matilda* en vele andere klassiekers voor kinderen, schreef ook bundels met korte verhalen voor volwassenen. Veel van deze betoverend angstaanjagende verhalen zijn verfilmd, en laten tot op de dag van vandaag iedere lezer huiveren. Dahl kan met recht de grootmeester van het korte verhaal worden genoemd.
