

Men Are from Mars, Women Are from Venus: The Classic Guide to Understanding the Opposite Sex

Why is it so difficult for men and women to get along? In this phenomenally popular and effective work, Dr. John Gray illustrates how differences in communication styles, behavior, and emotional needs can drive the two sexes apart, and offers ways to help keep them together. By giving us insight into the opposite sex, Dr. Gray shows how we can build loving, mutually fulfilling relationships.
