

Midnight in Lonesome Hollow (American Girl Beforever Mysteries)

Kit is visiting Aunt Millie in Mountain Hollow, Kentucky, in 1934. When a professor arrives to study Kentucky mountain traditions, Kit is thrilled to help with her research--until it becomes clear that somebody doesn't want outsiders nosing around. Kit decides to find out who's making trouble, even if it means venturing into Lonesome Hollow in the dark of night. Girls will enjoy solving the mystery right along with Kit.
