

Kind of Blue (Cal-Levy- R. Pepin) (French Edition)

Fils dun rescape de Treblinka, Ash Levine a quitte la police de Los Angeles lorsque Latisha Patton, son temoin principal dans une affaire de meurtre, a ete assassinee au cours de lenquete quil menait. Obsede par cette mort dont il se sent responsable et depressif depuis que son epouse a demande le divorce, il ne sait plus tres bien ou il en est lorsquun de ses anciens collegues lui demande de reintegrer le service et denqueter sur lassassinat de Pete Relovich, un fl ic qui, lui aussi, a lache le LAPD. Detail important, avant de partir, Relovich a demande a voir les Affaires internes. Pourquoi? On apprend quil avait besoin dargent, quil vehiculait des escort girls et que, a un moment donne, il sest retrouve en possession de tres grosses sommes. Banale histoire de corruption? Lenquete rondement menee conduit a larrestation dun coupable, mais Ash nest pas satisfait. Il y a quelque chose qui cloche, et il nest pas du genre a se contenter dune demi-verite. Meme lorsque cela devient tres dangereux pour lui. Miles Corwin est un romancier a surveiller. Kind of Blue a du caractere, de la densite, de laction et de la refl exion. Il a tout, et jattends la suite avec impatience. Michael Connelly
