

30+25: 55 Years: Design Houses

From traditional to modern without ever losing style, 30+25: 55 Years: Design Houses has evolved over 55 years from its roots in Zizurkil near San Sebastian and this progress is reflected in dozens of buildings highlighted in this retrospective. Changing slowly but surely from the classical gabled roof buildings of the first projects to rectangular and cubic shapes, with originality permeating throughout its entire work.
