

Mosbys Comprehensive Review of Nursing (Mosbys Comprehensive Review of Nursing for NCLEX-RN)

Based on Mosbys Comprehensive Review of Nursing the most trusted review book for nearly 50 years this innovative resource offers a comprehensive, user-friendly overview of core nursing information and principles, including illustrations, video clips, and animations to enhance understanding of key concepts. It provides content and questions in NCLEX format for medical-surgical nursing, pediatric nursing, maternity/womens health nursing, and mental health nursing. Plus, two comprehensive exams parallel the content and format of the NCLEX-RN(r) Test Plan, providing the perfect dry run experience for Board preparation! Rationales for correct and incorrect options for all questions help students understand why their answer choice was right or wrong. Windows/Macintosh compatible
