EOGER MALVINS BURIAL. One of the few incidents of Indian warfare naturally susceptible of the moonlight of romance was that expedition undertaken for the defence of the frontiers in the year 1725, which resulted in the well-remembered Lovells Fight. Imagination, by casting certain circumstances judiciously into the shade, may see much to admire in the heroism of a little baud who gave battle to twice their number in the heart of the enemys country. The open bravery displayed by both parties was in accordance with civilized ideas of valor; and chivalry itself might not blush to record the deeds of one or two individuals. The battle, though so fatal to those who fought, was not unfortunate in its consequences to the country; for it broke the strength of a tribe and conduced to the peace which subsisted during several ensuing years. History and tradition are unusually minute in their memorials of this affair; and the captain of a scouting party of frontier men has acquired as actual a military renown as many a victorious leader of thousands. Some of the incidents contained in the following pages will be recognized, notwithstanding the substitution oi fictitious names, by such as have heard, from old meni lips, the fate of the few combatants who were in a condition to retreat after Lovells Fight. The early sunbeams hovered cheerfully upon the tree-tops, beneath which two weary and wounded men had stretched their limbs the night before. Their bed of withered oak leaves was strewn upon the small level space, at the foot of a rock, situated near the summit of one of the gentle swells by which the face of the country is there diversified. The mass of
