

# Muse, Riff, The Brasher Girl, and Other Tales: From Different Kinds of Dead

Ed Gorman, a master storyteller, is the beloved author of dozens of mystery novels. This highly-praised collection contains *Muse*, *Riff*, and *The Brasher Girl*. It is a remarkable edition that displays the extraordinary range of storytelling skill and powerful emotions that won Gorman the prized International Fiction award and inspired *Mystery News* to say of his previous collection: A powerful, disturbing, often poetic collection filled with writing that is a model of clarity and right narrative control. Gorman has also received several awards, including the Shamus Award, the Spur Award and the International Fiction Writers Award for his contributions to the genre.
