

Arts & Crafts (German Edition)

Bewahren Sie nichts in Ihren Hausern auf, was Sie nicht als nützlich erachten oder wirklich schon finden. Allein dieses Zitat von William Morris konnte schon als erklärende Zusammenfassung der Arts and Crafts-Bewegung dienen, die in England eine Reform des Kunstgewerbes hervorrief. Diese von John Ruskin gegründete und von William Morris erst richtig vorangetriebene Bewegung Arts and Crafts brachte revolutionäre Ideen in das viktorianische England. In der Blüte des seelenlosen Industriezeitalters, in dem Gegenstände standardisiert wurden, forderten die Mitglieder der Arts and Crafts-Bewegung, in die Herstellung einen ästhetischen Aspekt einzubringen. Handwerk und Design wurden somit zum Hauptgegenstand dieser neuen Ideologie. Arts & Crafts beeinflusste nunmehr zahlreiche Stile der ganzen Welt und druckte hauptsächlich dem Design, der Malerei und der Architektur ihren Stempel auf.
