

NCLEX-RN Drug Guide: 300 Medications You Need to Know for the Exam (Kaplan Test Prep)

The most streamlined, portable, and easy-to-use drug guide to help you pass the NCLEX-RN! This pocket-sized review for prospective nurses gives you the focused, key information you need to know about medications commonly seen on the test. Kaplan's NCLEX-RN Drug Guide includes: Generic names, brand names, phonetic pronunciations, and drug families for 300 frequently tested medications. Concise nursing considerations and must-know side effects for each medication. NEW! Expert guidance for studying drugs effectively. Pregnancy risk category and controlled substance schedule for every drug. Common medical abbreviations you'll use on the job. Abbreviations to avoid when recording medication orders. Terms are grouped by medication category, and each page features two terms with the complete explanations. With Kaplan's NCLEX-RN Drug Guide, you know you are getting the most up-to-date, expert information available to prepare for the exam!
