

HOTWIFE A Sexual Reawakening in Jamaica

Tammy and Garrett are hardworking parents in their early thirties who haven't made time for each other in years. One day, after being interrupted during what little sex they're able to find time for by one of their kids, Garrett snaps and books them a week at a naughty sounding sex-themed Jamaican hotel where guests go nude and drinks run rampant. Garrett hopes to subtly expose Tammy to a more racy sex life and even has plans to try and share her with some local well-hung Jamaicans. In their twenties they found time for sex and experimented widely, but since kids they barely have time for one another. Will going to Jamaica change all that? Definitely. Get ready for a wet and wild ride that will curl your toes, get your blood pumping and get you sopping wet. After reading this book you'll be dying to join Tammy and Garrett in Jamaica and take your spouse on a naughty grown-up sex-capade of your own. Make sure you get the special massage at the spa, and don't bother wearing panties to the club; they'll just get ripped off. This book is full of thick long dicks, tight pussys, beautiful big tits and ass fucking all while husbands watch, and sometimes (if they're lucky) participate. If you're the wife, make that man of yours fix you a drink while you lay back, naked, and read this book while he licks your hot cunt, and if you're a man, grab the lube and read this with your dick slick in your hand; you might need a few towels. This adult erotic novella contains abundant graphic explicit sex - including, but not limited to, swinging, cuckolding, interracial sexual encounters, exhibitionism, DP, gangbang, lesbianism, humiliation and oral sex.
