

You Can Be an Ice-Skater (Lets Get Moving!)

The Olympics are full of skating sports! Graceful figure skaters impress with jumps, speed skaters zoom around the icy track, and hockey players turn on a dime to chase down the puck. Readers will enjoy learning about different skills needed for each of these activities. With colorful photographs illustrating the postures, foot placement, and techniques needed to learn how to ice-skate, the main content shows readers what fun they can have on the ice. Ice-skating is a great way to get moving, whether in a figure 8 or guarding a hockey net!
