

No Time Like The Past (The Chronicles of St Mary Book 5)

Jodi Taylors best-selling series The Chronicles of St Marys is back with a bang. St Marys has been rebuilt and its business as usual for the History department. But first, theres the little matter of a seventeenth-century ghost that only Mr Markham can see. Not to mention the minor inconvenience of being trapped in the Great Fire of London and an unfortunately-timed comfort break at Thermopylae leaving the fate of the western world hanging in the balance. Re-join Maxs madcap journey through time in Jodi Taylors fifth inter-dimensional instalment No Time Like the Past.
