

O Pioneers!: Four Classic Western Books

Four of American author Willa Cather's classic western bestsellers are bound together in this Kindle book: *O Pioneers!*, *The Song of the Lark*, *My Antonia*, and the Pulitzer Prize-winning *One of Ours*. *O Pioneers!* (1913) Alexandra Bergson has inherited the farm in Nebraska and she is determined to make a go of it despite the difficulties. Meanwhile, there are two love stories involving Alexandra and a family friend and Alexandras brother Emil and a married woman. *The Song of the Lark* (1915) It is the 1890s in Colorado and Thea Kronborg, an ambitious woman, moves to the city to pursue her dream of becoming a pianist. She is encouraged to sing, however, and struggles to find her artistic self. But at what cost to her personal life? *My Antonia* (1918) Cather's most well-regarded novel pays homage to families who carved out lives west of the Mississippi River. *One of Ours* (1922) Tired of his Christian college, Claude returns to the family farm and marries a childhood friend but she doesn't appear to love him as much as her work. Eventually, he decides to enlist in the U.S. Army. About The Author American author Willa Cather (1873-1947) was raised in Virginia and Nebraska and wrote eloquently about life on the Great Plains, including *My Antonia* (1918), considered her masterpiece. In 1923 she won the Pulitzer Prize for *One of Ours* (1922), set during WWI.
