

## Mac OS X and Office v.X Keyboard Shortcuts

Save time and effort while boosting your productivity and simplifying your work with the help of this handy guide. Inside, you'll learn how to use the hundreds of keyboard shortcuts built in to Mac OS X and the Office applications from mainstream shortcuts for frequent operations to little-known time-savers that few users ever discover. You'll also learn how to create your own custom shortcuts, configure your keyboard to suit your typing style, and choose specialized keyboards to reduce stress and speed up your work.
