

On the Road: The Original Scroll (Penguin Modern Classics)

The legendary 1951 scroll draft of *On the Road*, published word for word as Kerouac originally composed it. *On the Road* chronicles Jack Kerouac's years traveling the North American continent with his friend Neal Cassady, a sideburned hero of the snowy West. As Sal Paradise and Dean Moriarty, the two roam the country in a quest for self-knowledge and experience. Kerouac's love of America, his compassion for humanity, and his sense of language as jazz combine to make *On the Road* an inspirational work of lasting importance.
