

One Week Girlfriend: A Novel (One Week Girlfriend Quartet Book 1)

Breakout sensation Monica Murphy takes the romance genre by storm with the deeply emotional, completely addicting story of Drew and Fable. Temporary. That's the word I'd use to describe my life right now. I'm temporarily working double shifts at least until I can break free. I'm temporarily raising my little brother since apparently our actual mother doesn't give a crap about either of us. And I always end up as nothing but the temporary girlfriend—the flavor of the week for every guy who's heard the rumor that I give it up so easily. At least Drew Callahan, college football legend and local golden boy, is upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that's not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. And yet the only thing Drew seems to want is . . . me. I don't know what to believe anymore. Drew is sweet, sexy, and hiding way more secrets than I am. All I know is, I want to be there for him permanently. Praise for *One Week Girlfriend* A sweet and sexy read with a dash of angst. It will hook you from page one!
