

Organic Outreach for Families: Turning Your Home into a Lighthouse

In *Organic Outreach for Families*, Kevin and Sherry Harney share insights from the Scriptures and give practical advice from their own experience to help you learn how to transform your home into a lighthouse of God's amazing grace. The Harneys discuss five ways you can naturally share your faith with others: Reaching your own children with the message of Jesus, Sharing God's grace with your extended family, Raising your children to be beacons of light in their schools and in the neighborhood, Opening the doors of your home to make it attractive and welcoming, and Shining the light of grace into your broader community. The Harneys balance a concern for developing your home into a safe, secure environment with the biblical mandate for believers to be salt and light in the world. Pastors and parents will discover creative ways families can become a natural and winsome presence in their schools, through community activities, and as a witness in their neighborhoods.
