

## Orphan X (Italian Edition)

Un numero di telefono per quando non sai a chi rivolgerti, quando le alternative sono finite e hai toccato il fondo. Un numero da usare una volta e mai più, da passare di mano in mano come un amuleto, come un'ultima speranza. All'altro capo del filo ce lui, non una leggenda, ma un uomo in carne e ossa disposto a mettersi al servizio dei più deboli. Un cane sciolto, un giustiziere senza padroni ne legge che tanti vorrebbero vedere morto. Nella vita di tutti i giorni è Evan Smoak, scapolo schivo e senza legami, ma un tempo era Orphan X: ragazzino emarginato strappato a un futuro già scritto e trasformato nella più perfetta macchina per uccidere al servizio del governo americano. Da quando Evan ha deciso di cambiare vita, da cacciatore si è trasformato in preda. Solo facendo appello a tutte le sue risorse può sperare di sfuggire al sistema che lo ha creato. E continuare a lottare per rendere il mondo un posto migliore, correggendo torti e ingiustizie un caso alla volta. Per settimane in testa alle classifiche americane e inglesi, Orphan X è un fenomeno editoriale in corso di pubblicazione in 20 Paesi. Destinato a diventare un grande film prodotto dalla Warner Bros. Un maestro del thriller all'apice della forma. - Lee Child Il libro più eccitante che abbia letto dai tempi di The Bourne Identity. - Robert Crais Merita un posto onore nella hall of fame del thriller. - David Baldacci
