

## What a Wonderful World: The Fuzzy Thurston Story

The remarkable life story of Packers Legend Fuzzy Thurston is one of adversity and triumphs, about how one mans indomitable perseverance and zest for life triumphed over the odds. From growing up without a father, to his fateful trade to the then-losing Green Bay Packers from the championship Colts, rising and falling fortunes, and the most formidable opponent of his life - cancer - Fuzzy Thurston refused to stay down. A member of Vince Lombardis Championship teams, Thurston played in Super Bowls I & II, as well as the historic Ice Bowl, and was essential to the success of the legendary Packers Sweep. He is one of the best guards to ever play the game, but more importantly, he is a man whose strength of character shines through every one of his many hard-earned successes. His inspirational story comes alive in a deluxe 8 x 10 hardcover book, packed with over 40 never before seen photos from Fuzzy Thurstons personal collection. The book features a foreword by Brett Favre and contributions by Bart Starr, Willie Davis, Jerry Kramer, Paul Hornung, Dave Robinson, Boyd Dowler and many others!
