

Paradise By Design: Tropical Residences and Resorts by Bensley Design Studios

Featuring hundreds of stunning color photographs and insightful commentary, this Asian design book showcases the art, architecture and design of the East. Eclectic, baroque and sophisticated such are the characteristics of the lifestyle resorts and extravagant private residences crafted by the renowned Bensley Design Studios in Bangkok and Bali. The 27 resorts and homes featured in Paradise by Design are set amidst resplendent tropical gardens and spread from China to India to Bali. Focused in Asia Pacific, these buildings are unconventional, sensual and hold a special reverence for the tropical climate. Focusing not only on the architecture of the buildings, but also the landscape design, interior design, horticulture and fine arts and crafts found within and without these buildings, Paradise by Design transcends the traditional and details an inclusive look at some of the most stylish and diverse homes and resorts in Asia.
