

## Passenger to Frankfurt

Sir Stafford Nyes journey home from Malaysia to London takes an unexpected twist in the passenger lounge at Frankfurt: a young woman confides in him that someone is trying to kill her. Their paths cross again and again, and each time the mystery woman is introduced as a different person. Equally at home in any guise in any society, she draws Sir Stafford into a game of political intrigue more dangerous than he could possibly imagine. In an arena where no one can be sure of anyone, Nye must do battle with a well-armed, well-financed, well-trained, and invisible enemy.
