

PMP Training Kit (Microsoft Press Training Kit)

The ONLY book you need to pass the PMP! Be one of the thousands of people to pass using Sean's PMP study materials. Your Complete 2-in-1 Self-Paced Training Kit: Ace your preparation for the skills measured by the updated PMP Exam, aligned with the Guide to the Project Management Body of Knowledge (PMBOK Guide), Fifth Edition. Work at your own pace through a series of lessons and reviews that fully cover each and every exam task. Then, reinforce what you've learned by applying your knowledge to real-world case scenarios and practice exercises. This comprehensive guide covers everything you need to know to succeed and is designed to help make the most of your study time. This book takes you through the necessary knowledge areas: Integration Management, Scope Management, Time Management, Cost Management, Quality Management, Human Resource Management, Communications Management, Risk Management, Procurement Management, Stakeholder Management, and Ethics and Professional Conduct. Maximize your performance on the exam by mastering these tasks: Initiating the project, Planning the project, Executing the project, Monitoring and controlling the project, Closing the project. Practice Tests: Assess your skills with realistic practice tests on CD. You can work through hundreds of questions using multiple testing modes to meet your specific learning needs. You get detailed explanations for right and wrong answers--including a customized learning path that describes how and where to focus your studies. This book was written to address issues and omissions with other books. And see below for unique offers from the author to support you in your study.
