

Ready-To-Use Pre-Sport Skills Activities Program

For new and experienced elementary P.E. and classroom teachers, this resource provides 100 stimulating lesson plans that encourage developmentally appropriate individual and group interaction, cooperation, and -- most importantly -- variety. These are supplemented with 100 take-home challenges, 12 monthly fitness calendars, 45 games, assessment tools, reproducible motivators, and a list of the national physical education standards. Each lesson features a different warm-up activity, a concept activity reinforcing the theme through movement, a challenge activity involving friendly competition between partners, and a closer activity to provide a successful end to the days lesson.
