

## Eddy Specialty Papers & Magnum Photos: Calendar 2000

In the late 1990s and early 2000s, the design firm Emerson, Wajdowicz Studios produced a series of promotional items for the paper firm Eddy Specialty Papers, targeted at art directors and designers. The theme was how well photography printed on the superior quality of their paper. All of the items they produced used Magnum photography to illustrate this concept. Case in point is this calendar produced for the year 2000 which features images by Susan Meiselas, James Nachtwey, Martin Parr, Josef Koudelka, Gilles Peress, Luc Delahaye, Marc Riboud, Burt Glinn, etc. Unpaginated [approx. 120 pages]; b&w and color photos throughout; 8.75 x 9 inches.
