

# American Nursing Review: Questions and Answers for NCLEX-RN (Springhouse Nursing Review Series)

A study tool for those planning to take the National Council Licensure Examination for Registered Nurses. It is also a resource for nurses who want to test or review their clinical knowledge. The text covers all clinical study areas included in the actual exam: mental health nursing, maternal-infant nursing, child nursing, and adult nursing. Each chapter tests the reader on nursing principles and procedures, disorders, diagnostic tests, and treatments. Questions cover such topics as nutrition, drug therapy, legal rights, staff management, and more.
