

## PMP Sample Exam-2 - Part 1 - Initiation

We provide sample PMP exams based on the PMBOK 5th edition to prepare candidates for the exam. We provide 2 sample exam papers and this paper is one of them. According to the latest version of the PMP Examination Content Outline document from PMI (2015), the following is the distribution of exam questions: Initiating the Project 13% Planning the Project 24% Executing the Project 31% Monitoring & Controlling the Project 25% Closing the Project 7% The PMP exam paper contains 200 questions distributed according to these ratios. This is the first part of the exam, containing 26 questions on the Initiation stage of the project management lifecycle. Each of the 2 exam papers we provide consists of 5 parts, each part containing sample exam questions on a specific stage of the 5 stages listed above. Questions related to the Code of Ethics are distributed within the 5 parts of each sample exam.
