

# Pearson Reviews & Rationales: Mental Health Nursing with Nursing Reviews & Rationales (3rd Edition)

This text provides a clear, concentrated, and up-to-date review of today's need to know knowledge for effective psychiatric and mental health nursing. Developed and reviewed by a large team of nurse educators, PEARSON REVIEWS & RATIONALES: MENTAL HEALTH NURSING WITH NURSING REVIEWS & RATIONALES, 3/e fully reflects the current (2010) NCLEX-RN Test Plan. The text thoroughly covers mental health nursing, including every major diagnostic category. Additional chapters focus on crisis intervention and suicide; family violence and sexual assault, loss and grief; and the psychological adaptation to medical illness. Since mental health questions are unique and distress many students, Chapter 1 presents specific techniques and strategies for answering the NCLEX-RN exams psychosocial integrity questions. A complete support package includes access to additional questions and the complete eText online, and a tear-out NursingNotes card for clinical reference and quick review. Hundreds of practice questions in the book and online at [www.nursingreviewsandrationales.com](http://www.nursingreviewsandrationales.com) help students measure their readiness for the NCLEX-RN. In addition, you can access an eText version of this book on this website
